

8. Western Europe

Attachment C characterizes
the movement in Europe, which,
appears on the left side, with
the acquisition of CP influence,
Spain and Portugal. In Finland,
direct Soviet diplomatic pressure
is applied to place the CP into
government. In Spain and
Portugal, intensification
of CP activity, agitation
and unrest within the countries,
combine.

9. All Rights Reserved Part Area
Attachment D is an
edited extract from a
paper titled "CIA/State
Department Assessment
of the Threat of Communist
Subversion in the English-Speaking
Part Area." The paper
is the U.S. submission for
the BP Group's committee
which meets in London, 10
January 1959.
